

## Move Me

Words and Music by Shaun Groves

My cup is never empty  
My eyes are never dry  
I'd be drunk by now if  
Selfishness were wine  
Seems like a million years  
That I've been standing here  
Holding on to all that holds me down

Chorus:  
Come and move me  
In a holy dance  
Through my circumstance  
Come and move me  
From my hiding place  
Into Your embrace  
Where the whole human race sees You  
Move me

Let the sun burn brighter  
I'll run into Your shade  
Dip the sky in darkness  
I'll cry out for Your day  
Use bitter and the sweet  
To move my frozen feet  
Far beyond all that holds me down

(Chorus)

I know it's true  
When I'm destitute  
You come running to me  
But sometimes I believe You simply

(Chorus)
