

Satellite

Words and Music by Shaun Groves

My soul takes flight
Drawn to your light
Satellite
Can't get enough
Orbiting Your love
Satellite

Chorus:

You are the center of my universe, universe
You are the center of my universe, universe

Your gravity
Has captured me
(Can't break free)
Satellite
My soul evolves
My will dissolves
(I revolve)
Satellite

(Chorus)

You pull me in
You set my spin
You chart my course
Around Your world

(Chorus)
